WSOTA Company is for dedicated dancers who are committed to furthering their dance education and looking for extra performance opportunities. We will need participants (ages 9+) and parent/guardian signatures stating you have read and understand all the requirements that are being asked of you and that you have made a commitment to being part of Company throughout the 2011-2012 dance season (August 1 - June 30). Each Company is limited to 15 members.

Being a member of Company is a privilege. Dancers are expected to adhere to dress code, behave as role models in class, be punctual and come to class prepared, giving 100% effort. Company members are expected to be at every rehearsal as well as attend all their regularly scheduled classes during the week. Excused absences will require a written note or parent phone call, missing too many classes will result in probation from the Company.

Each Company is a "non-tuition" class and has no monthly fees. All Companies have an annual fee of \$150.00, which covers props and performance expenses throughout the season (August 1 - June 30). A \$30.00 Company Jacket Fee is required for any students needing a new jacket.

Placement, choreography, music selections, costuming, and any other decisions will be at the discretion of the director and staff. Some dancers may not be chosen to participate in every dance. They will be chosen for the routines in which they can best succeed.

Requirements for Mini Company: (6 - 8 yrs.) Student must be enrolled in at least 2 dance classes; one class has to include Ballet (a Ballet combo class is accepted). No audition required.

Requirements for Petite & Junior Company: (Petite 7 - 10 yrs.)
(Junior 10 - 13 yrs.) Student must be enrolled in at least 3 dance classes; one class has to be Ballet. Audition only.
